In Memoriam

MRS. JOHN MEYER

The death of a very old and respected lady took place at the residence of her son, Mr. Peter D. Meyer, of Newton, N.S., on March 23rd, ult. in the person of Mrs. John Meyer, and if she had lived till the 20th, of July next would have completed her 92nd year.

She was born at Hope River and since her marriage to her late husband Mr. John Meyer, who preceded her several years ago, she lived continuously at Newton, N.S., where she brought up a large family and with the combined efforts of her husband made success of farming. Built up a prosperous and comfortable home and during the many years she lived at, was hardly ever known to be off duty, always assiduous and attentive as a good wife and mother to her household duties and with special care to the religious instruction and material welfare of her children.

Just about two weeks previous to her demise. She had attended Mass in Kinkora Church, where on Sunday and other occasions when services were held, she was ever conspicuous by her presence and during her few days illness brought on by old age she was tenderly nursed by her daughters and had the great consolation of receiving the Last Sacraments of the Holy Catholic Church, which she cherished so dearly during her sojourn here.

She was highly respected and admired by all those who had the pleasure of her acquaintance and possessed many good qualities she possessed. Her intelligence and good judgment supported by good education as was available in her school days, made her an ideal conversationalist on any subject, which was interesting to her company and she could always entertain by strictly observing the "Golden Rule" and over-looking anything that was not charitable or for the benefit of the community in general.

She was deeply interested in the success of her Church and School which was always evident in her generous support and to visit her home at all times a pleasure where her hospitality and kind treatment were abundant.

Her funeral took place on March 25th, and was followed by nearly one hundred sleighs to St. Malachi's Church, Kinkora, where a Mass of Requiem was sung by Rev. J. McDonald of Summerside, for the repose of her soul. The services at the grave were conducted by Rev. M. J. Smith, where all that was mortal of this good old lady was consigned to the grave. May her Soul rest in peace.

She leaves to mourn Mrs. Frank Gallant, Newton, Hugh L. Mrs. Joseph Campbell, Kinkora, Mrs. T. Driscoll, Preston, Mrs. Mary Danian, St. Joseph's Academy, St. Paul, Minn., Sister Mary Charles Superior of Our Lady of Lourdes Hospital, Passy, Costa, California and Peter D. at home also fifty four grand children and twenty six great grand children.

MASS CARDS, Mr. and Mrs. Patrick Mulligan, Mr. and Mrs. Wilbur McCarroll, Dr. and Mrs. McPhee, Mr. and Mrs. John Murray, Mr. and Mrs. E. L. Meyer, Mr. and Mrs. T. A. Meyer, wife and family, S. Earl V. Duffy, Mr. and Mrs. Swinburn McKenna, Mr. and Mrs. Joseph Campbell, Mr. and Mrs. James McCordie, Mr. Peter D. Meyer and family 10, Mr. and Mrs. M. P. Driscoll, Mr. and Mrs. Frank Gallant, Mr. and Mrs. John C. Gallant, Mr. and Mrs. Parnell McCarroll, Miss Annie and Nora Meyer, Mr. Hugh John Meyer, Mrs. Minnie Mullin Brookline, Mass., Mr. and Mrs. M. J. Meyer, Dr. and Annie Fleming, Sister M. Danian, St. Paul, Minn., Sister Mary Charles, Passy, Washington, Sister Bernice, St. Paul, Minn., Sister F. Regis, St. Paul, Minn.

SPIRITUAL OFFERINGS, Mrs. Francis Croken, Miss Mary C. Doucette, Mr. Leo Croken, Sister Mary Henry, Kinkora, Mr. and Mrs. John A. McCarroll and family, Mrs. M. T. McKenna, Miss Clara Fitzsimmons, Mr. and Mrs. Michael Mulligan.

LETTERS OF SYMPATHY, Mr. and Mrs. Alphonsus Broer, Mrs. Anasias Manhattan, New York, Sister M. Danian, St. Paul, Monn, Sister M. Charles, Passy, Washington, Miss Emma Mullin, Brookline, Mass.

Peters Road And Vicinity

Favorable winds have about cleared the snow from Peters Road, making possible the "running of lines" on the 25th.

Mr. Peter Morrison, who has spent most of the winter months at his home, Peter's Road, thus earning a much-needed rest, is again about to take up his vocational work, having returned to Montreal, where he has an important position there, in the freight management of the incoming and outgoing ocean liners, on the resumption of trade to that great port for the summer season, following the winter service, alternately, of the Maritime ports of St. John and Halifax.

Mr. Arthur Reynolds, Cambridge, has been as usual busily employed in his blacksmith shop this spring in attending to the various needs of the fishermen in connection with the lobster-fishing industry off our coast, and also at all times and seasons to that of the farmer and artisan in their varied requirements.

Quite recently your correspondent had a passing glimpse at the stock housed in the commodious barns of Stewarts Bros., Greek River. In the different departments strict attention is given to breed and type, and elimination soon begins showing the latter feature lack prominence. The Holsteins are true to name and type, and present a most creditable showing in markings and size as well as numbers.

The sheep, all Leicester are worthy of special mention. In fact we doubt if their superiors in this particular breed are to be found in the province taking the number of the flock into consideration.

Hogs—Yorks—of the improved bacon type have decidedly a large place in the general stock market-up of this farm. Much depends upon skill in selection, and all kinds of work in proper feeding and care is required.

Their hogs are specially suited to the needs of their spacious farm, which, we believe, now produces, in value about enough to meet the requirements of the stock.

So far as we have information, fair results are being anticipated in this season "crop" of foxes. Fatalities there are, but those loved will be

And Vicinity

The disrupted condition of the roads is being gradually restored to normal by the judicious use of the split-log drag—that relic of Tory barbarism—but generally admitted to be an important factor in producing a smooth and firm surface on the yielding roads of early spring and summer too.

Mr. Harry Van Idersine has purchased the dwelling-house from Mr. Malcolm Reid, situated on the farm lately acquired by the latter, and to be removed by Mr. Van Idersine to his own farm at Peter's Road.

The Sch. "Romio Brier Bush" Cobble Bros. Murray Harbor, is now loading potatoes at Calhoun's Wharf, Greek River, by J. L. McKinnon.—Prices:—White 15, Reds. 20.

LETTER OF SYMPATHY

Dear Mrs. Weska, Fredericton. At a time of such sore bereavement as is now yours, words seem empty indeed, but we, the members of Fredericton Women's Institute, feel we must express in some way our sincere sympathy in the loss of your dear father. While we sympathize with you, we realize that only those who have passed through the sad experience can fully comprehend what the death of your father means to you. Therefore commend you to the Great Burden Bearer, who alone can give you strength, who knows what it was to endure pain and distress, who comforted those that mourned, and who alone can lighten the burden of grief. We are undesignated on behalf of the entire membership to extend to you and family our tenderest loving sympathy, and may God grant that some glad day you will all meet in an unbroken family circle at his right hand.

With patience was thy suffering born,
For patience did thy life adorn,
Thy grief and suffering, all we past
And God has called thee home at last.

THE SHEEP INDUSTRY PROSPEROUS

The sheep industry in 1926 was very good both for meat and wool. Reviewing the year, Live Stock Market and Meat Trade Review issued by the Department of Agriculture at Ottawa, shows that the wool clip averaged from twenty-five per cent above the values received the previous year, while sheep and lamb sales were fully 10 per cent above the 1925 market. Confidence in the future of the industry is expressed in that the industry showed an appreciable expansion, gains being especially good in Ontario and the four Western Provinces. The total sales at stock yards during the year reached 469,172, head being approximately 1,000 head more than the sales of the previous year. The season was characterized by the heaviest movement in any of the past five years, with values well above 1925. A feature of the year's business, according to this Review, was the strong demand for feeding lambs and good breeding ewes. Supplies moved equal to the previous year when the

Signed in sympathy: Mrs. Phoebe Reid was quite heavy, while in Western Canada orders were constantly left, unfilled through lack of supplies. The experience of the past year has put the sheep industry on a solid footing with every indication of a further expansion.
