THE DAILY EXAMINER

JULY 7, 1899.

EXTENSION OF TIME FOR LOBSTER FISHING.

Our correspondent "Point Prim" wants information concerning the extension of time for lobster fishing. That the time has been extended within the section extending from Carleton Head to West Cape is true enough. From Hansard of this session, page 6292, we quote:

Mr. McLellan (by Mr. Gibson) asked: 1. Has the Minister of Marine and Fisheries determined upon any extension of the lobster fishing season for Prince Edward Island. 2. If so, in what localities will such extension apply this year? 3. What will be the limit of such extension.

The Minister of Marine and Fisheries (Sir Louis Davies.) I beg to reply: 1. Yes, to report to Council favourably. 2. To those localities defined by the report of the lobster Commission between West Point and Carleton Head in Northumberland Straits. 3. Up to and including the 31st day of July.

Why it was not also extended along the southern coast of this Province eastward is a question which Sir Louis Davies may be able to answer to the satisfaction of his friends at St. Peter's Island, Orwell, Point Prim, Pilette, High Bank, etc.

As to the fairness of extending the time in the first named section and withholding the extensions in the last named section, we solicit the opinions of the packers. Are the conditions in the one very different from those in the other? We have no doubt that Mr. Alexander Martin, M.P., will make good use of any reliable information that can be obtained respecting the necessity of the change; and the packers interested would do well to correspond with him.

WEEDS.

EVERY year, for many years past, we have called attention to the weeds, the disgrace of our fields, and called for concerted and special efforts to kill them in these localities in which—as in the vicinity of Charlottetown—they have obtained headway. It is pleasing to note that the initiative, this year, has been taken by the practical farmer who writes to THE EXAMINER regard wild mustard. Not only wild mustard, but the daisy, the thistle, and other weeds, demand the attention of our farmers.

OBITUARY.

There was called from our midst a Souris on the 26th ult., in his life's gay motto, in the pride and joy of youthful vigor, an exemplary young man, George D. McInyre, aged 23 years, son of Angus E. McInyre, of Souris. While executing some order at the masthead of the schooner Nutwood, as she lay at the wharf, he lost his balance and fell to the deck, receiving such injuries as caused his death. Deceased was a young man, whose trustworthiness, vigilance and high sense of duty caused him to be much appreciated by his employers, while his ready sympathy, his kindness, and his integrity, made him beloved and respected by all. His family have the heartfelt sympathy of the community, as was feelingly shown by the great number that attended the funeral to St. Mary's Church, where the funeral services were conducted by the Rev. D. F. McDonald. It is to be hoped that they will consider that their loss is his gain and that he is now happily safe from the trials, temptations and struggles of this life, and looking forward to a reunion where partings are unknown, and also that they will find and feel that:

"Affliction, when it spreads around, May seem a field of woe? Yet there at length the happy fruits Of righteousness shall grow."

Mr. John McIvor, an old and much respected resident of Kinkora, passed away on the evening of the 5th ult., after a short illness of pleurisy. He died consoled by the last sacrament of the Catholic church, of which he had been through life a faithful and worthy member. The funeral took place on the 10th ult. to St. Michael's church, where a Requiem High Mass was celebrated by the pastor, Rev. J. J. McDonald, after which the interment took place amid sincere expressions of sorrow by his many relatives and friends present. The pall bearers were Dr. Sutherland, Bedque; David Rogers, Esq., Freetown; Major Wright, Esq., Bedque; William McCabe, Kinkora; John Driscoll, Cap-Traveler and Owen McCordle, Kinkora. The deceased who was seventy-three years of age, leaves a wife, five daughters, and four sons to mourn their irreparable loss.

Hazelbrook Ditties.

The crops are progressing favourably under the general heat of the July sun. The grass is also growing well, which helps to fill the fore crop. Quite a number of our boys have gone to camp at Brighton. We regret to announce the death of Mr. Michael McDonald, which occurred on July 1st, 1899.

Mr. Amos Jenkins, of Exmouth, is visiting friends here now. He expects to return on the 10th.

Mr. L. J. Wood, an inhabitant of the place, aged 90, has just finished building a horse power.

Mr. Wm. J. McEachern, our enterprising farmer, has gone into the milk business. The product of his cows is sent to the Hazelbrook factory with the result that the Dairy Company have ordered a new vat.

The house which the Dairy Company have built for the manager is completed. It is a thing of beauty and will be a joy forever.

Mr. G. Wood, of this place, is doing a rushing business in the horse buying line.

Mr. Jas. Jenkins, of Little River is here on a short trip.

THE EXAMINER is always a welcome visitor here.
