

## SET HEARING FOR PRINCIPAL ACCUSED OF DRUNKENNESS

The charge of drunkenness preferred against Principal John A. McIver, of the Port Costa school, by Superintendent of Schools William H. Hanlon, of Contra Costa County, with the object of depriving McIver of his certificate to teach in the public schools of California, will be heard by the State Board of Education at a meeting to be held in this city January 30th.

The matter of the accusation was brought formally before the Board to-day, but nothing was done further than to set a date for the hearing. It is charged by Superintendent Hanlon that McIver was in a drunken condition on the streets of Martinez last October. It is also charged that his wife was intoxicated on the same occasion.

McIver proposes to fight the charge.
