

Mr Emmett McQuar,  
Parry Sound, Ontario.

Dear Emmett:

We are gathered here on this memorable occasion chiefly to congratulate and to wish you every happiness in the new phase of life you have chosen.

We want to thank you for everything you have done in helping us in our work here and assure you we couldn't wish for a more amiable and thoughtful foreman than you have proven yourself to be. We can only hope you will be doubly repaid for your kindness.

As we are, none of us speech-makers, you will please excuse these few remarks - well meant but bluntly put, and accept this gift - as a token of our friendship and loyalty, and hope you will find it of much use and value to both you and your bride in your new home.

In conclusion we trust that happiness will be yours and all good things may brighten your pathway through life.

Sincerely,

Yours Island Friends
