

Joe Pallotta, whose band will furnish the music for the firemen's ball, March 21. This is the 20th anniversary of Pallotta's big band. Four of his boys have been with him the entire time, he writes. They have played the Claremont Hotel, the Fairmont and Palace in San Francisco, the Larkspur Bowl, and the Grove in Guerneville.

Most of the musicians work at Mare Island, hence the band limits its bookings to the Vallejo, Sacramento, Stockton, San Jose, San Francisco, Santa Rosa area. It has played high school dates here.

Most of their playing is now at Travis Air Base, Officers Club, N.C.O. Club, and the Service Club. Crockett is home base for the orchestra.
