She will be forever missed by her daughter Wendy and son-in-law Billy and remembered as the loving grandmother of Ryder. Friends and family to Aggie were able to say their goodbyes in her final days and she was comforted by their presence. Longtime Elvis fan - before there were "Elvites"! "I carry your heart with me (I carry it in my heart) I am never without it (anywhere I go you go, my dear; and whatever is done

by only me is your doing, my darling) I fear no fate (for you are my fate, my sweet) I want no world (for beautiful you are my world, my true) and it's you are whatever a moon has always meant and whatever a sun will always sing is you here is the deepest secret nobody knows (here is the root of the root and the bud of the bud and the sky of the sky of a tree called life; which grows higher than the soul can hope or mind can hide) and this is the wonder that's keeping the stars apart I carry your heart (I carry it in my heart)"
