Published: January 27, 2021

MULLALLY, Peter Francis Born January 12, 1948 in Charlottetown, died January 24, 2021 in Halifax, of a sudden and short illness. Son of Jerry and Rae Mullally of Charlottetown, brother of Philip, Elizabeth, Jeanne, Norman (deceased) and Bernie (deceased). Loving partner of Genevieve for 48.5 years. Father of Martha, John ("Harold"), Maria, Laura and James (deceased); father-in-law of Jason, Melissa, Patrick and Michael; grandfather of eleven beautiful grandchildren, Louis, Henry (deceased), Julia, Finlay, Tristan, Remy, Hannah, Sebastian, Alistair, Rae and Vincent. Caring brother, brother-in-law, uncle, godfather and devoted friend of many. A proud Islander who lived his adult and married life in Halifax and became a proud Haligonian and Nova Scotian who summered at Morrison's beach on PEI. Will be remembered for his love of people, his love of and ability for chatting, his listening ear, empathy, open mind, non-judgemental nature, sense of fun, way with celebration, love of good food and wine and sharing this with others, generosity and welcoming nature. He embodied the meaning of his name and was a rock for many. He chose work oriented toward social justice and supporting others and was a collaborative colleague. He completed his career as a psychotherapist at the Nova Scotia Teachers' Union for over 25 years. Peter had a wide range of passions and interests: tennis player, enthusiastic bridge player, sports fan (especially university basketball), spiritual seeker, lover of music, creative thinker, poet (yet unpublished!)

and animal lover (dogs and horses). He was cherished for being authentic, loving, thoughtful, brilliant, eccentric, insightful, welcoming, warm, generous, unique, jovial, conversational and uncensored. We are left heartbroken and we will love and miss him forever. His imprint lives on in all who knew and loved him. In lieu of flowers, donations can be made to the following: Bryony House, Phoenix House and Metro Turning Point.
